

Background Check

In addition to the LiveScan process, it is necessary for us to do a background check on every adult, age 18 years and older, living in the household where the potential MKI host child will stay. The cost is \$20.00 per adult to run the check and this fee will be invoiced directly to you.

Please list the first, middle and last name of each person, along with his or her date of birth and social security number. We will then process your background check with our service.

First Name	Middle Name	Last Name	Date of Birth	SSN#
_____	_____	_____	_____	_____
